

2018 Annual State Conference

Greetings,

It's not too early to begin thinking about the 35th Annual MAAP State Conference. This year's conference is February 7, 8 and 9 at the Mankato Verizon Wireless Center. This year's theme is:

Lifelong Learning: We Inspire the Desire!

First of all, I would like to invite you back to this year's conference. If you're a new exhibitor or vendor, I would like to welcome you to what we think is one of the best conferences in the State!

We continue to monitor and adjust our exhibitor and vendor offerings based upon feedback that you provide and that our members give us. We will again be having the vendor area be available on the first two days of the conference (February 7th and 8th). We also will again be encouraging our members to play Exhibitor/Vendor Bingo and participate in our MAAP Scavenger Hunt as a means to help attract people to your display areas. We are going to be located in the recently remodeled Verizon Center and will once again attempt to locate our exhibitors and vendors in high traffic areas and to provide some food in the area, as well. Some exhibitors and vendors have requested more opportunities for advertisement and breakout session presentations. You will see below some of the new opportunities that we have made available to you.
