

Twin Cities Academy

CREATING A HIGHER STANDARD OF ACADEMIC EXCELLENCE

Special Education Teacher Job Description

Twin Cities Academy (6-12) is seeking a full time (1.0 FTE) special education teacher for the 2017-2018 school year.

Qualifications

Required: Bachelor's degree, MN license or the ability to obtain a waiver (school will support a waiver for the best qualified person, if necessary).

Preferred: EBD/LD/ABS/DCD License. Experience working in education, particularly in an urban environment, Master's degree. Experience with data-driven instructional practices and work in due process.

Institution Description

Twin Cities Academy is an urban, college preparatory, public charter school located in East Saint Paul, serving students in grades 6-12. The school's mission emphasizes academic rigor, leadership development, character building, and community engagement. We believe that all students should have the opportunity to attend a post-secondary institution. We have a history of success including being designated consistently as a "Reward" school by the Minnesota Department of Education. TCA is a fifteen year old, well established charter school, with a history of providing a quality middle school education. Please visit the school's website at www.twincitiesacademy.org to learn more about our schools.

We are seeking a committed teacher willing to believe that all students can achieve post-secondary success if properly prepared in middle and high school.
