

MAAP STARS 24th Annual Fall Leadership Conference

October 25 & 26, 2017

Lake Beauty Camp
25766 Hummingbird Trail
Long Prairie, MN 56347
320-732-3218

This is a two-day conference for student leaders and their advisors. Each school/program may bring up to 6 students. The conference will focus on developing a team of student leaders who will lead on a local level and help motivate other students back at their school to get involved in **MAAP STARS**. The students and staff stay together as a team for the workshop sessions. They will begin planning what their **MAAP STARS** Chapter will do for this school year.

During the conference, students will elect a leadership team of their peers to serve as the **MAAP STARS** Leadership Team throughout the school year. Each program attending the Fall Conference may have one student run for office. That candidate will give a three minute campaign speech to their peers so the others get to know who they are and explain why they would make a good representative for alternative education and **MAAP STARS**.

It's a great opportunity to build/improve upon a MAAP STARS Chapter in your school with students gaining leadership and team building skills!
