MAAP STARS AWARDS SESSIONS

Preliminaries **Wednesday 7:45 pm to 9:00 pm (And “MAAP Student & Staff of the Year” awards)**

All students should be present. As time permits, we will distribute award ribbons at the 90%, 80% and 70% performance levels for all events that have been completed by 8 pm.

These are self-adhesive labels that are to be placed on the student certificates that will be handed out at the 9:45 advisor meeting. Collect the ribbon from your students, noting who gets what ribbon and save them. Some advisors like to have an envelope with each student’s name on it to put these in.

Most Semi-finalists and finalists will be announced at the advisor meeting. Ask event chairs when and where they plan to post them, as some may take place prior to that meeting.

Grand Awards Thursday 2:15 to 3:00pm

All students should be present. ***Please, do not leave early!***

Talk to your students about, “Good Sportsmanship” and their behavior.

(The faster students get on stage the shorter the awards session)

Ribbons will be distributed for all events not covered at the preliminary award session on Thursday. Ribbons will be at the 90%, 80%, and 70% performance levels. Save these to put on their award certificates.

Plaques will be distributed for all competitive events: Ribbons for the Demonstration events. Students earning a plaque will also receive a Medallion to wear. Our thought was that your school would keep and display the plaques.

We will try to follow the “Awards presentation schedule”.

After the Grand Awards

Pick up your student manuals and projects and your schools envelope containing all of the student evaluation forms in the upper lobby.

Artwork is to be picked up from the art display room by noon.

Please, have your students and advisors complete the **conference evaluation** forms and get those to us.

Feel free to **return nametags**, so that we may use them again. The lanyards are yours to keep as a reminder of your experience at MAAP STARS.

MINNESOTA ASSOCIATION OF ALTERNATIVE PROGRAMS (MAAP)
Student Picture/Video Release Form

The Minnesota Association of Alternative Programs (MAAP) was established in the 1980's. It sponsors the youth organization called: **MAAP STARS**. **MAAP STARS** offers three state-wide student events during the school year. Those events are:

- Fall Leadership Conference at Camp Ripley
- Legislative Day at the State Capitol in St. Paul
- Spring Events Conference at the Ramada MOA in Bloomington

While in attendance at these **MAAP STARS** events, students will be having their pictures taken and/or may be recorded. We do this as part of our mission in **STARS**. Some programs also participate in regional events as well where pictures/videos are taken.

STARS is an acronym for: **S**uccess, **T**eamwork, **A**chievement, **R**ecognition and **S**elf-esteem. We want to recognize our students, their schools, and staff to promote what accomplishments are being made in their educational setting. Most of these photos and recordings are available on the **MAAP** web site and may be on display in your students' school. **MAAP** may also use photos in their promotional materials such as brochures, pamphlets, DVD's, CD's, etc..

Please sign below permission for **MAAP** to do this. If you have any questions or concerns, please contact me: Patti Haasch, **MAAP STARS** Chair 612-751-2490 pjhaasch@yahoo.com

Type names of all persons occupying each room in the spreadsheet provided. Spreadsheet is available on MAAPmn.org website under STARS. Select "Enable Editing" on the spreadsheet if asked when you open it. This spreadsheet is a template provided by the hotel to match their reservation system.

Sample entries are in italics on spreadsheet

NOTE: If your list contains a student(s) from another school, your payment must include them and you should settle those charges between yourself and the other school, prior to arrival. The hotel cannot split charges for different schools within or among rooms on your list. And, if any of your students are rooming with another school, do **not** refer to them on your list. This causes duplicates.
