Spring Conference Events

MAY 7 & 8, 2020

Volunteer Judges Needed!

MAAP: Minnesota Association of Alternative Programs

STARS: Success, Teamwork, Achievement, Recognition, Self-Esteem

Students and staff from alternative schools/programs gather once a year for this annual event. It's a two-day conference that gives students the opportunity to shine bright by demonstrating 21st Century skills, career readiness, employment interviews, artistic abilities and life skills they have developed throughout the year. There are 16 different events they can choose from. Guidelines and expectations for each event are available in the MAAP STARS 2019-2020 Spring Events Manual found on the MAAP website.

MAAP Website: www.maapmn.org

Volunteer Judges are needed both days!
