April		Registration Fees
Doubletree Hotel		Motel Room
Bloomington		Extra Meals/Food
<b><u>Fall '17 Leadership Conf.</u></b>	Registration	Getting the student there
November		Lodging if not in the Barracks
Camp Ripley		
Near Little Falls		

We are hopeful that the **MAAP STARS** Officers would go to various programs/schools in their region, attend local School Board meetings, present at local organizational meetings (such as the Lions, Legion, Rotary), etc. to spread the word about **MAAP STARS** during their year of being an Officer. Those arrangements and costs would be the school's to get the officer there. During Officer training, we have the students polish their speeches so they are able to be a good speaker about **MAAP STARS**. We purchase their **STARS** outfit so they can present themselves in a professional manner and they are expected to wear them when representing **MAAP STARS**. Also during Officer training we give them some background about **MAAP** and **MAAP STARS**. Scripts are given to the Officers to help them as a protocol of what will be happening. They would use their speeches when speaking publicly. At Legislative Day the Officers introduce themselves and their school; sitting in front as a group. At the Spring Conference they are the lead speakers.

It's an honor to be a **MAAP STARS** Officer and we hope that the Program/School will embrace this opportunity and help to promote and support your Officer.
